

FISH OF SANCAP is a neighbors helping neighbors organization offering programs ranging from emergency financial assistance to a food pantry; educational workshops and social events. Additionally, we are focusing on Hurricane Ian disaster recovery assistance provided to anyone who lives on Sanibel and Captiva islands as well as the workforce that supports our island community.

Since Ian's landfall, we've been offering Long Term Recovery assistance by providing disaster related financial assistance and supplying residents and workforce with drywall, bicycles, spackle, mattresses, grills for cooking and furnishings. Many of those requesting assistance for Hurricane Ian recovery have never had to ask for assistance before. Some are working household families, others are retired seniors—everyone has been affected by Hurricane Ian's destruction, and FISH is answering all requests for assistance. In addition to our Long Term Recovery program, we continue to offer programs representing our four major pillars – Food, Island Based Education, Social and Senior Services, and Helping Hands.

This year we are restructuring our annual race fundraiser to celebrate the resilience of our islands and formatting the **2023 FISH 10K/5K** as a festival weekend event. Activities currently planned include:

- 10K and 5K road race on Sanibel **Saturday, Dec. 2**
- Family Activities, Sanibel Recreation Center including kids' fun run, activities, food; **Saturday, Dec. 2**
- Music Festival at 'Tween Waters **Saturday evening, Dec. 2**
- Sanibel Island Farmer's Market **Sunday, Dec. 3**

Your support is critical as we continue to serve our community, and we hope you'll consider becoming a part of our family through a sponsorship on our 2023 FISH 10K/5K weekend event(s).
